

MAIZ

COFFEE TABLE

Designer – Shua'a Ali

Maiz blurs the lines between bold and simplistic to create a minimalistic expression of a coffee table that is both elegant and functional. The built-in concrete box serves as a space that can hold various objects and doubles as an incense burner, a cornerstone to Arab hospitality.

LARGE TABLE
140 W X 80 D X 35 H cm

SMALL TABLE
80 W X 80 D X 30 H cm
